

SKÝRSLA UM ÞÁTTÖKU ÍSLANDS 2015 Í NORDPLUS (MENNTAÁÆTLUN NORRÆNU RÁDHERRANEFNDARINNAR)

Nordplus er menntaáætlun Norrænu ráðherranefndarinnar sem hefur að markmiði að stuðla að samstarfi og gæðum í menntun á Norðurlöndum og Eystrasaltslöndum. Árleg heildarupphæð styrkja til úthlutunar er um 9 miljónir evra (tæplega 1,4 miljarður íslenskra króna). Þátttaka er opin menntastofnunum og öðrum aðilum sem starfa við menntamál, og er almennur umsóknarfrestur í mars ár hvert.

Farið er fram á samstarf á milli a.m.k. 2-3 menntastofnana á Norðurlöndum og Eystrasaltslöndum og fyrir hverri umsókn fer ein stýristofnun sem ber ábyrgð á umsókninni og verkefninu.

Nordplus felur í sér fimm undiráætlanir sem samanlagt ná yfir öll svið menntunar. Hér að neðan er samantekt um hverja undiráætlun, heildarfjölda umsókna, heildarfjölda stofnana sem taka þátt (ath. sumar stofnanir taka þátt í mörgum verkefnum og reiknast öll þátttaka inn í heildarfjölda), og þátttaka Íslands í hverri áætlun fyrir sig. Þátttaka Íslands í Nordplus áætluninni hefur alltaf verið góð miðað við höfðatölu, og er árið 2015 engin undantekning á því. Samtals stýra 29 íslenskar stofnanir Nordplus verkefnum (í öllum áætlunum) og er heildarupphæð þeirra styrkja 744.465€ (tæplega 109 miljón íslenskra króna). Sem samstarfsaðilar eru íslenskar stofnanir þátttakandi í alls 271 verkefni (í mörgum tilvikum eru sömu stofnanir þátttakandi í fleiri en einu verkefni – þá einkum háskólar). Í viðauka má sjá yfirlit yfir öll verkefni sem Ísland tekur þátt í, bæði sem stýristofnun og sem samstarfsaðili.

Rannís rekur Landsskrifstofu Nordplus á Íslandi og hefur yfirumsókn með tungumálahluta hennar. Nánari upplýsingar má finna á:
